

I am writing to comment that I do not want to see LPFM stations to take priority over current FM stations. I listen to K-Love from the first thing I do when I wake up, on my way to work in my car, in my office at work, and then again in the evening at home. I depend on the uplifting, positive, inspirational ministry of K-LOVE and would be extremely distraught if it was not there. I know hundreds of thousands of people all over the United States feel the same way I do. With the war, economy, and personal issues everyone faces, K-Love is truly a blessing that I depend on. I strongly oppose the LPFM taking priority over current FM stations.
